INSECTICIDES

| PRODUCT                      | ACTIVE INGREDIENT              | PEST / WEED / DISEASE                        | APPLES | PEARS |
|------------------------------|--------------------------------|--|--------|-------|
| <b>CeraTrap®</b>             | Protein hydrolysate            | Fruit fly species                            |        |       |
| <b>CHLORIFOS 480 EC</b>      | Chlorpyrifos                   | Pernicious scale                             |        |       |
| <b>CLARITY 240 SC</b>        | Methoxyfenozide                | Codling moth                                 |        |       |
| <b>CYRUS 350 SC</b>          | Imidacloprid                   | Woolly apple aphid                           |        |       |
| <b>CYRUS 700 WG</b>          | Imidacloprid                   | Woolly apple aphid                           |        |       |
| <b>DOXSTAR FLO 300 SC</b>    | Indoxacarb                     | Codling moth<br>Banded fruit weevil          |        |       |
| <b>LAMBADA AQUAMUL 50 EW</b> | Lambda-Cyhalothrin             | Codling moth<br>Banded fruit weevil          |        |       |
| <b>PLUMETT 360 SC</b>        | Chlorfenapyr                   | Banded fruit weevil<br>Western flower thrips |        |       |
| <b>PROMEK 20 EW</b>          | Emamectin benzoate             | Codling moth                                 |        |       |
| <b>SAYONARA 240 SC</b>       | Thiamethoxam                   | Woolly apple aphid                           |        |       |
| <b>TAMPRID 200 SP</b>        | Acetamiprid                    | Codling moth                                 |        |       |
| <b>TOPSTAR 480 SC</b>        | Thiacloprid                    | Codling moth                                 |        |       |
| <b>VITEX 50 WG</b>           | Emamectin benzoate             | Codling moth                                 |        |       |
| <b>BAZOOKA 800 WG</b>        | Glyphosate                     | Non-selective annual and perennial           |        |       |
| <b>BOUNTY 360 SL</b>         | Glyphosate                     | Non-selective post-emergence                 |        |       |
| <b>BOUNTY 450 SL</b>         | Glyphosate                     | Non-selective annual and perennial           |        |       |
| <b>EXADIA 250 EC</b>         | Oxadiazon                      | Non-selective pre- and post-emergence        |        |       |
| <b>FLUZIE 125 EC</b>         | Fluazifop-P-Butyl              | Post-emergence Grasses                       |        |       |
| <b>MCPA DMAX 750 SC</b>      | MCPA                           | Post-emergence Broadleaf                     |        |       |
| <b>MONELO 900 WG</b>         | Terbuthylazine                 | Non-selective pre-emergence                  |        |       |
| <b>NIRVANA 200 SL</b>        | Glufosinate-Ammonium           | Non-selective post-emergence                 |        |       |
| <b>PROZAMIDE 500 SC</b>      | Propyzamide                    | Non-selective pre-emergence                  |        |       |
| <b>SCORCHER 200 SL</b>       | Paraquat                       | Non-selective post-emergence                 |        |       |
| <b>SCORP 108 EC</b>          | Haloxfop-R-Methyl ester        | Post-emergence Grasses                       |        |       |
| <b>TORUS 240 EW</b>          | Carfentrazone-ethyl            | Post-emergence Broadleaf                     |        |       |
| <b>VEGA 240 EC</b>           | Clethodim                      |  |        |       |
| <b>ALARIS 700 WG</b>         | Dithianon                      | Scab   |        |       |
| <b>ANTAGON 400 SC</b>        | Dodine                         | Scab   |        |       |
| <b>BOTRYNIL 400 SC</b>       | Pyrimethanil                   | Post-harvest decay (Grey and Blue mould)     |        |       |
| <b>CAPTAN 800 WG</b>         | Captan                         | Scab   |        |       |
| <b>ETHOS 275 EC</b>          | Difenoconazole;<br>Penconazole | Scab<br>Powdery mildew                       |        |       |
| <b>FLUSTAR 200 WG</b>        | Flusilazole                    | Scab<br>Powdery mildew                       |        |       |
| <b>MANCOZEB 800 WP</b>       | Mancozeb                       | Scab   |        |       |
| <b>MIRANO 500 WG</b>         | Cyprodinil                     | Scab<br>Powdery mildew                       |        |       |
| <b>PENCOMAX 200 EW</b>       | Penconazole                    | Scab<br>Powdery mildew                       |        |       |
| <b>RAM 75 WP</b>             | Thiram                         | Scab   |        |       |
| <b>VALIDUS 200 EW</b>        | Myclobutanil                   | Scab<br>Powdery mildew                       |        |       |
| <b>VETO 250 EW</b>           | Bupirimate                     | Powdery mildew                               |        |       |
| <b>VETO PLUS 280 EC</b>      | Bupirimate; Hexaconazole       | Powdery mildew                               |        |       |
| <b>VISTA FLO 500 SC</b>      | Kresoxim-methyl                | Scab<br>Powdery mildew                       |        |       |
| <b>REMAX 100 WG</b>          | Prohexadione-calcium           | Reduction of excessive shoot growth          |        |       |
